15.6" PORTABLE MONITOR · A SINGLE USB-C CABLE

TE-1502S

15.6" IPS Full HD · 13.6 mm thick · 630 grams · with case and stand

A SINGLE USB-C CABLE
Image and power at once: the monitor needs no outlet

15.6-inch portable monitor with an anti-glare Full HD IPS panel, HDR10 support and 300 nits. It connects with a single USB-C cable that carries video and power, or over Mini HDMI. At 13.6 mm thick and 630 grams, it includes a built-in stand and a protective case.

A SECOND SCREEN THAT FITS IN THE BACKPACK

REFERENCE IMAGE

DISPLAY	THICKNESS	WEIGHT	CONNECTION
15.6" IPS	13.6 mm	630 g	USB-C

ALL IN ONE

A second screen you can take anywhere

Video and power in one cable

Two USB-C ports that carry image and power: a single connection to the laptop and you are set.

630 grams and 13.6 mm

Thinner than a notebook and lighter than a laptop: it fits in any backpack.

Stand and case included

Built-in stand with tilt and 360° pivot, plus a protective case for travel.

Mirrors your phone

Besides the laptop and the console, it shows the phone's screen over the same USB-C cable.

TEROS

PART NUMBER
MONFFANTE1502S

Check the laptop's USB-C: the single cable works because USB-C can carry video and power at once, but not every USB-C port does: the device's port must support video output. If it does not, the monitor still works over Mini HDMI, powered separately over USB-C. It is worth confirming before closing the sale.

WHERE IT DELIVERS

Built for work on the move and the small desk

MOBILE WORK

Two screens on any table

Next to the laptop it adds a second screen, and when you are done it goes back in the backpack in its case.

- 630 g · 13.6 mm
- Built-in stand and case
- VESA 75 x 75 mm

VISITS AND PRESENTATIONS

Present without a projector

It shows the screen of the laptop or the phone, and the built-in stand tilts it from 5° to 40° and pivots it 360°.

- Phone screen mirroring
- Tilt 5° – 40°
- 2 x 1 W speakers

CONSOLES AND CONTENT

Away from work too

It connects to a console over Mini HDMI and to a phone or tablet over USB-C, with Adaptive Sync and HDR10 support.

- Mini HDMI 1.4 · 2 USB-C
- FPS and RTS modes
- Adaptive Sync · HDR10
