KEYBOARD AND MOUSE KIT

TE-5011CS

105-key keyboard with FN functions + 1000 DPI mouse · 2.4 GHz

FN KEYS WITH MEDIA FUNCTION
Volume and playback from the keyboard

The complete workstation with no cables, with programmable FN keys and media functions: volume and playback are controlled without leaving the document. A 105-key Spanish-layout keyboard and a three-button mouse, both on 2.4 GHz with a range of up to 10 metres.

REFERENCE IMAGE

KEYS	FN FUNCTIONS	RESOLUTION	RANGE
105	Media	1000 DPI	10 m

WHAT IT SOLVES

A kit that controls sound without taking your hands off

FN media keys
Volume, playback and shortcuts by combining the FN key, without installing any software.

105-key keyboard
Full Spanish layout, 42.2 cm wide and 461 grams: steady on the desk, it does not move as you type.

57-gram mouse
Three buttons and 1000 DPI in a 9.7 cm body: light and comfortable for long days.

10 metre range
Both devices work far from the PC: suits meeting rooms, counters and computers stored in cabinets.

PART NUMBER
KBMSWBKTE5011CS

The FN keys: combined with the FN key, the top row stops being just F1 to F12 and controls volume, playback and system shortcuts. It saves letting go of the keyboard and reaching for the mouse every time the sound needs lowering in a video call.

WHERE IT DELIVERS

Built for desks that work without cables

OFFICES AND NEW WORKSTATIONS

Equipping in volume

When several desks need setting up at once, one code covers keyboard and mouse, with the same finish at every workstation.

- One code per workstation
- 105 Spanish-layout keys
- 12-month warranty

VIDEO CALLS AND CONTENT

Sound in one combination

Raise, lower or pause without letting go of the keyboard. In meetings and video work, it saves the detour of finding the control on screen.

- Media function
- Programmable FN keys
- 1000 DPI mouse

MEETING ROOMS AND COUNTERS

Working away from the computer

With a 10 metre range, the PC can be stored in a cabinet or connected to the screen at the back while the kit stays on the table.

- 10 m range
- 2.4 GHz frequency
- 42.2 cm keyboard
