WIRED KEYBOARD AND MOUSE KIT

TE-5015S

105-key Spanish-layout keyboard + 1200 DPI optical mouse · USB

DIRECT USB CONNECTION
No batteries, no receiver and no software

The complete workstation in a single purchase: a 105-key Spanish-layout keyboard and a 1200 DPI optical mouse, both with USB cables. Plug them in and they work, with no batteries to change, no receiver to lose and nothing to install.

REFERENCE IMAGE

KEYS	KEYBOARD CABLE	RESOLUTION	CONNECTION

WHAT IT SOLVES

What you need to work, and nothing extra

105-key keyboard

Full Spanish layout with numeric keypad, for writing or entering data all day.

1200 DPI optical mouse

An optical sensor with fixed, even sensitivity, which is what daily office work calls for.

1.5 metre cables

1.55 m on the keyboard and 1.50 m on the mouse: they reach the PC on the floor, under the desk.

Both over USB

No batteries, no receiver and no pairing: plug them into the computer and they work from the first moment.

TEROS

PART NUMBER
KBMSCBKTE5015S

The 1.5 metre cables: a short cable forces the tower onto the desk or an extension purchase. With 1.55 metres on the keyboard and 1.50 on the mouse, the kit reaches a PC standing on the floor under the desk, which is where it usually sits in most offices.

WHERE IT DELIVERS

Built for workstations that run Windows all day

OFFICES AND NEW WORKSTATIONS

Equipping in volume

When several desks need setting up at once, one code covers keyboard and mouse, with the same finish at every workstation.

- One code per workstation
- 105 Spanish-layout keys
- Direct USB connection

HOME AND STUDY

The home desk

For those buying their first PC or renewing the study desk, it settles keyboard and mouse in one decision and at one price.

- Keyboard + mouse
- 1200 DPI
- Nothing to install

CLASSROOMS AND SHARED DESKS

No batteries to replace

On computers used by many people, the cable stops the keyboard turning up with a flat battery or the USB receiver getting lost between shifts.

- USB connection
- 1.55 and 1.50 m cables
- 12-month warranty
