WHAT IT SOLVES

Outdoor gear in 660 grams

Top and side access

Streamlined design that opens from the top and the side: no need to take it off to get something out.

Extendable rod holder

Side tube with a fold-out extension for a rod or tripod; folded, it works as a bottle holder.

Hip straps

They unfold to spread the weight on a hike and stow away when not needed.

Laptop or hydration

The padded front compartment takes a laptop up to 15.6" or a hydration bladder.

The extendable rod holder: it is a side tube with an extension that unfolds to hold a fishing rod or a tripod upright, leaving your hands free. Folded, the same holder works as a bottle holder, so it takes up no space when not in use.

WHERE IT DELIVERS

Built for heading outdoors without leaving the gear at home

FISHING AND OUTDOOR TRIPS

The gear is held, not in your hand

Rod holder with extension, built-in storage for the landing net handle and a zipped pocket for sunglasses.

- Extendable rod holder
- Sunglasses pocket
- Top and side access

HIKING AND DAYS OUT

The weight on the hips, not the shoulders

The hip straps unfold for long hikes, and the padded front takes a hydration bladder.

- Hip straps
- Nylon + PU exterior
- 0.66 kg empty

FOR WORK TOO

It works Monday to Friday

The same padded compartment that carries the hydration bladder outdoors carries the laptop during the week, with an internal organiser for the rest.

- Laptop up to 15.6"
- Internal organiser
- 52 x 32 x 18.5 cm
