PORTABLE SOUNDBAR

TE-VIB6054BLK

20 W · Bluetooth 5.1 · passive radiators · 2000 mAh battery

DUAL PASSIVE RADIATOR
45 Hz bass from a 42-centimetre bar

20 W portable soundbar with a dual passive radiator that takes the response down to 45 Hz. Two 2-inch speakers, Bluetooth 5.1, a built-in 2000 mAh battery, multicolour LED lighting and 42.8 cm in length: the right size to go with a monitor.

REAL BASS IN A DESKTOP BAR

REFERENCE IMAGE

POWER	SPEAKERS	RESPONSE	BATTERY
20 W	2 × 2" + 2 passive	45 Hz – 20 kHz	2000 mAh

WHAT IT SOLVES

A small bar that goes down to 45 hertz

Dual passive radiator

It reinforces the bass without using power: that is why two 2-inch speakers reach 45 Hz.

Bluetooth 5.1

Wireless connection with a JL AC6966B chipset, stable and low-power, for music and video.

2000 mAh battery

It works unplugged and charges over USB Type-C, with the cable included in the box.

Multicolour lighting

An LED strip underneath and on the sides that dresses up the desk without taking another port.

TEROS

PART NUMBER
MMTEVIB6054BLK

The passive radiators: a passive radiator is a cone with no magnet or coil: it receives no signal and vibrates with the air pressure the active speakers create inside the box. That movement reinforces the bass without using power. It is what lets a 42 cm bar with 2-inch speakers reach 45 hertz.

WHERE IT DELIVERS

Built for the desk, the living room and travel

DESK

The width of a 24" monitor

42.8 cm long and 7 cm high: it lines up under the screen without covering it and improves the sound of a PC or laptop.

- 42.8 × 7.0 × 7.9 cm
- LED lighting
- ABS casing

TV AND LIVING ROOM

Better than the TV speakers

Slim TVs sacrifice sound for the thinness of the panel. A bar with passive radiators recovers the bass lost there.

- 45 Hz – 20 kHz
- AUX and USB input
- Signal-to-noise ≥ 80 dB

PORTABILITY

It goes to any room

Built-in battery and USB-C charging: it moves from the desk to the kitchen or the patio without looking for a socket.

- 2000 mAh battery
- USB Type-C charging
- 12-month warranty

DATASHEET · SPEAKER

Audio, connection, battery and measurements

AUDIO

Power	20 W
Speakers	2 × 2 inch + 2 passive radiators
Frequency response	45 Hz – 20 kHz
Sensitivity	400 mV ± 50 mV
Signal-to-noise	≥ 80 dB
Lighting	Multicolour LED on the bottom strip and sides

CONNECTIVITY

Bluetooth	5.1
Inputs	AUX and USB playback
Material	ABS casing · black

BATTERY AND MEASUREMENTS

Battery	Built-in 2000 mAh
Charging	USB Type-C · cable included
Dimensions	42.80 × 7.00 × 7.90 cm

RECOMMENDED USE

Scenarios	PC · laptop · TV · smartphone

CONTENTS AND WARRANTY

Contents	Soundbar · USB-C charging cable · manual
